

BeLoved

Dawn Lucht

What has brought you to this path?	

Why is this journey important to you?	

What are my values?	

What do I hope to create for myself along the way?				

What don't I want?	
V VII de doit et vvaire.	

in order to be love	d?		

Each of us have desires for connection and once we identify them we learn what we want, what we don't want and how to articulate our needs.

Fill in the petals of this flower with important ways you like to be shown love.
